

Shakil Rahman
Managing Director

Shakil has a decade of experience in Bangladesh investment banks, brokerage and mutual fund groups in different roles. Prior to finding Constellation, Shakil was the Head of Corporate Advisory for City Bank Capital, where he used to advise local large corporates on corporate finance, going public and structured finance. The sectors involved power & infrastructure, NTTN infrastructure, garments, pharmaceuticals, construction companies and IT. Prior joining City capital, Shakil functioned as the Head of buy side acquisitions for Next Frontiers AG, a private equity and one of the concerns of RACE mutual fund group, acquiring local market IT and agro innovations. Shakil worked as the Head of Research and Market Development for EBL Securities Ltd., one of the top 10 brokerage in Bangladesh developing and training the research team.

Shakil, an avid debate enthusiast has represented the top teams of his school college and university in more than 100 tournaments with 20+ seat in the finals including representing his college in World's Universities Debating Championships in Vancouver and Bangkok. Shakil was part of government contingent of 2008 SAARC summit on economics and youth development caucus. He has won championships in book quiz, science quiz, stage drama and music at school and national level.

Shakil has a Bachelors and Masters in Business from IBA, the business school of University of Dhaka. Shakil enjoys travelling, writing and sound mixing.
